

2017 ITRC Scientific Program Planning Committee

Chair:

Bingru Huang (Rutgers University, USA)-stress physiology

Members:

Trygve S. Aamlid (Norwegian Institute for Agricultural and Environmental Research, Norway) – turf management

Stephen Baker (Sports Turf Research Institute, UK) – soils and **sport** surface science

Stacy Bonos (Rutgers University, USA) – breeding

Jim Brosnan (University of Tennessee, USA) – weed science

Erik Ervin (Virginia Tech University, USA) - physiology

Joshua C. Friell (TORO, USA) – industry

Richard Gibbs (Sports Turf Research Institute, UK) - sports surface design

Tom Hsiang (University of Guelph, Canada) - pathology

Paul Koch (University of Wisconsin-Madison, USA) - pathology

Kelly Kopp (Utah State University, USA) – turf management

Albrecht Koppenhöfer (Rutgers University, USA) - entomology

Christopher Lambrides (University of Queensland, Australia)-genetics/breeding

Don Loch (Honorary Senior Fellow - Forage & Turfgrass Science, University of Queensland, Australia) – turf management

Ruth Mann (Sports Turf Research Institute, UK) - pathology

Patrick E. McCullough (University of Georgia, USA)-weed science

Benjamin McGraw (Penn State University, USA)-entomology

Maria Strandberg (Scandinavian Turfgrass and Environment Research Foundation, Sweden) -- turf management

Yanqi Wu (Oklahoma State University, USA)-breeding
